Address:- 52/16, Khati wali gali, Jatwara Mohalla, Bahadurgarh(HR), 124507

EXPERIENCE

Open Weaver

Web Development Intern (Remote)

ICT Academy

Aug 2023- Oct 2023

- Created many webpages, implementing interactive image content with database and flow navigation without coding environment. Increased user security and authentication by 35%.

Skyhighes Technologies

Web Development Intern (Remote)

Nagpur, India

Feb 2024 – May 2024

- Created a responsive website, implementing interactive image content that boosted user satisfaction by 45%. Increased user engagement by over 150+ unique weekly visitors through modern web design principles.

Softage Information Technology Limited

Prompt Engineer

Gurugram, India

Mar 2024 – June 2024

- Collaborated with cross-functional teams to define and optimize AI prompt requirements, leading to a 30% improvement in response accuracy and enhancing user engagement for virtual assistants and implemented innovative prompt generation algorithms utilizing Natural Language Processing (NLP), resulting in a 25% reduction in response time and increased efficiency in AI interactions.

TECHNICAL SKILLS

- Programming Language** – Python, Java, C, C++
- IT Constructs** – Data Structures & Algorithms, Object Oriented Programming
- Web Development** – HTML, CSS, JavaScript, React, Node.js, UI/UX
- Database & Version Control** – MySQL, Git
- Software Tools** – VS Code, Jupyter Notebook, DevC++
- Other** – NPM, Third Party Libraries Integration, AWS

PROJECTS

Reservation System in Railway Ticket Booking

C++, Database, Txt files

- Implemented a railway ticket reservation system in C programming, allowing users to input passenger details and journey information, which are directly stored in text files for easy retrieval and management.

On Screen Virtual Mouse

Python, OpenCV, AutoPy, Numpy, MediaPipe

- Developed hand tracking movement for control cursor events using Python, automating 70% of cursor events like left click, right click, scroll upward & downward, double click.

CERTIFICATES & COURSES

- **Meta Front-end Developer** :- HTML, CSS, Javascript, Version Control, React, Node.js, UX/UI
- **Amazon Web Service(AWS)**:- VPC, EC2, Auto Scaling, Elastic Load Balancer, Route53, S3, Cloud Watch, Auto Scaling, Cloud Trail, IAM.
- **Leading People and Teams**:- Learned and understanding the values and techniques of Inspiring and Motivating Individuals, Managing Talent, Influencing People, Leading Teams
- **Microsoft Fundamental 360** :- Microsoft Office, Excel and Power Point.
- **Python** :- (Udemy) Mastered Python Fundamentals, OOPS, Error Handling, Modules, File Handling

EDUCATION

Institute/University	Location	Degree/ Certification	Course/ Specialization	Batch Year	CGPA
Shree Guru Gobind Singh Tricentenary University	Gurugram (HR)	Post-Graduation	MCA	2022-24	8.4
Maharshi Dayanand University	Rohtak (HR)	Under-Graduation	B.Sc. in Comp. Sci.	2018-21	6.4
Hardayal Public School	Bahadurgarh (HR)	Intermediate	Non-Medical	2016-18	6.3
S.D. Sr. Sec. School	Bahadurgarh (HR)	Matric	--	2015-16	8.2
